

MEETING OF ROLLESBY PARISH COUNCIL

to be held on Monday 18th September 2023 at, Village
Hall, Rollesby at 7pm.

Dear Councillor,

Your attendance is required at the above meeting of the Parish Council. Members of the press and public are cordially invited.

Signed:

Sarah Hunt

Sarah Hunt
Parish Clerk
12th September 2023

AGENDA

1. Apologies and consideration of acceptance for absence.

2. Members' declarations of interest and requests for dispensations.

If you have a Disclosable Pecuniary Interest in a matter to be discussed and it relates to something on your Register of Interests form then you must declare an interest. You may not participate in discussion or vote on the matter.

You have a Personal Interest in a matter to be discussed if it affects:

- Your wellbeing or financial position
- That of your family or close friends
- That of a club or society in which you have a management role

In these instances, you must declare a personal interest and may speak on the matter only if members of the public are also allowed to speak at the meeting, however you may not vote in the matter.

3. Minutes.

To receive and agree minutes from Full Council Meeting held on 17th July 2023.

4. Public Forum

To receive comments from members of the public on matters on the agenda.

5. To receive any reports:

- 5.1 County Councillor A Grant.
- 5.2 District Councillors A Grant and L Mogford.
- 5.3 Police.

6. Updates on matters not on the agenda.

To receive updates from previous meetings. No decisions may take place

Rollesby Parish Council, 58 Hercules Road, Hellesdon, Norwich, NR6 5HH

Email: rollesbypc@outlook.com Telephone: 07340028540

during this item.

6.1 To confirm a list of charities within the Parish has been published on the website.

6.2 Noticeboard on Village Hall external wall. Update. Cllr S Moore.

6.3 Bus stop installation. Update. Cllr S Ridout.

6.4 Lloyds Bank accounts closure – to be undertaken once Parish Fund money passed across.

6.5 Unity – Removal of Haydn Thirtle as signatory, addition of Cllr S Moore. Update. Clerk.

7. Planning.

7.1 To consider planning applications received from Great Yarmouth Borough Council/Broads Authority for consultation prior to the meeting.

7.1.1 06/19/0390/F – St Georges Church, Heath Road, Rollesby. Retention of outside toilet (Retrospective).

7.1.2 06/23/0528/F – Lodge Farm, Lawn Lane, Rollesby. New retrospective application for retention of existing farm shed and hard standing created for agricultural use.

7.2 To receive notification of any decisions by Great Yarmouth Borough Council/Broads Authority.

7.2.1 BA/2023/0299/HOUSEH – 6 Belle Vue Terrace, Main Road, Rollesby, NR29 5EG. Single storey flat roofed rear extension. APPROVED. No objection submitted from Council.

8. Administrative Matters

8.1 To receive Rebuild Cost Assessment for Pavilion and consider insurance cover.

8.2 Website update – Cllr C Moore.

8.3 To note that 2024 is the 80th Anniversary of D Day. To consider a beacon event.

8.4 To receive and consider a quotation for membership to Norfolk Parish Training Partnership of £74.08 to 31.3.24.

9. Finance and Governance

9.1 To approve payments detailed as Annex A plus any late payments received before the meeting.

9.2 To receive and review Budget as agreed for 2023/24.

9.3 Bank Accounts update:

To agree the bank transfer to the Parish Fund of £89,308.38. To note £1,000 already transferred to open Unity Account.

9.4 To consider the appointment of Sonya Blythe to undertake the 2023/24 audit at a cost of £125.00.

10 Correspondence

10.1 Correspondence regarding Hedgehog Highways.

11 Village Matters.

11.1 To confirm S106 funding has been agreed for playingfield equipment.

Rollesby Parish Council, 58 Hercules Road, Hellesdon, Norwich, NR6 5HH

Email: rollesbypc@outlook.com Telephone: 07340028540

£8,800.00

11.2 To note that the vets have now erected a dog bin outside the surgery for public use.

12. Highways.

12.1 Highways 50/50 funding application schemes:

12.1.1 To receive Highways response and Westocotec quotation for SAM2 project. £3554.00 plus posts.

13. Matters for next Agenda and information.

14. Next Meeting:

Monday October 16th 2023.

Monday November 20th 2023

Monday 4th December 2023.

Minutes of a MEETING OF ROLLESBY PARISH COUNCIL

held on Monday 17th July 2023 at,
The Village Hall, Rollesby, 7pm.

Present: Councillors: S Day, J Long (part), C Moore, S Moore (chair), S Ridout, C Tacon.

1. Apologies and consideration of acceptance for absence.

Cllr Bruce Sturrock – unavailable.

2. Co-option.

Miss J Long was co-opted onto the Council, PROPOSED C Moore, seconded C Tacon.

3. Members' declarations of interest and requests for dispensations.

None.

4. Minutes.

The minutes from Full Council Meeting held on 19th June 2023 were AGREED as a true and correct record and signed by the Chair.

5. Public Forum

5.1 County Councillor – A Grant - Absent

5.2 District Councillors A Grant, Absent and L Mogford, Apologies received.

5.3 Members of the Public;

The Council was asked if it had any plans to provide a SAM2 unit to address speeding and was once again asked about charities within the Parish.

5.4 Police have confirmed that the mobile speed unit will continue to attend the Parish.

6. Updates on matters not on the agenda.

6.1 Unpaid work team – work has been completed on 50% of the Back Lane end of the Main Rd to Back Lane footpath. The remaining 50% to be considered for next year.

6.2 Installation of EV Points. This item is being progressed by the Charity for investigation at the Pavilion. Noted.

6.3 .List of charities in the Parish. This has now been drafted and will be available on the website and facebook page

6.4 Pedestrians in Road signs for erection in Court Road - Highways have these on order. Noted.

7. Planning.

7.1 To consider planning applications received from Great Yarmouth Borough Council/Broads Authority for consultation prior to the meeting.
None.

7.2 To receive notification of any decisions by Great Yarmouth Borough Council/Broads Authority.
None.

8. Administrative Matters

Rollesby Parish Council, 58 Hercules Road, Hellesdon, Norwich, NR6 5HH

Email: rollesbypc@outlook.com Telephone: 07340028540

- 8.1. Website move to in house. Cllr C Moore – September meeting.
- 8.1 . Noticeboard upgrade – Village Hall external Wall. Cllr S Moore to undertake necessary work. Agreed budget around £62.00 for materials. PROPOSED S Day, seconded S Ridout.

9 Finance and Governance

- 9.1 The payments detailed as Annex A were AGREED. PROPOSED Cllr S Ridout, seconded Cllr C Tacon. The Wave invoice was now approved by the RFO following a response and statement from Wave.
- 9.2 The meeting received a quotation of £453.00 from Scribe for accounts software. To be considered at budget setting.
- 9.3 The meeting received a bank reconciliation and budget to 30.6.23. It was AGREED to set up a financial training session for Councillors to look at Rollesby accounts in detail.
- 9.4 Signatories for bank accounts:
Current signatories:
Unity Bank: Haydn Thirtle, Sheila Ridout, Shaun Day, Bruce Sturrock. It was AGREED to remove Haydn Thirtle and add Cllr S Moore.
Lloyds Bank; Shaun Day, Charlie Tacon, D Beck, A Collins, S Hunt, R Rudrum. It was AGREED to close the Lloyds Bank account. PROPOSED Cllr S Day, seconded Cllr C Moore.
- 9.5 Annual allotment rental charges AGREED from 1.10.23. Currently £20/plot. Costs 2022/23; Rental income £220.00 Expenses £129.34. It was RESOLVED not to increase charges.

10. Correspondence

- 10.1 Email – addressed to Chairman, 'thoughts on Rollesby Parish Council'. Response to be sent as drafted.

11. Village Matters.

- 11.1 Bus Shelter – Noted that the Method Statement for installation of bus shelter received.
- 11.2 The installation of additional bins – Great Yarmouth Borough Council reviewing emptying service. No charges available. To be brought back to Council when updated charges received.

12. Highways.

- 12.1 Cllr S Day reported to the meeting following his meeting with the Highways Ranger. The issues were raised, and are being reported through to the correct departments.
- 12.2 Noted that the Highways 50/50 partnership scheme invitation has been received for 2024/25. Clerk to investigate the possible sites and costings for a SAM2 Camera.

13. Matters for next Agenda and information.

Date of next meeting: Monday September 18th 2023.

The meeting closed at 8.02pm

A presentation was given on behalf of the Flegg Land Trust.

Annex A - Payments for the July 2023 meeting of Rollesby Parish Council

			Exc. VAT	Inc. VAT
Total Estimated Main Property Rebuild			£321,061	£385,273
Total Estimated OPS Rebuild			£51,300	£61,560
Total Rebuild Cost Assessment			£372,361	£446,833

Should I include VAT?

We would always recommend that you obtain professional advice from an accountant or local VAT office before making a decision to include or not include VAT within the sums insured. The Assessment includes a VAT breakdown and you can include or remove any element of VAT from the VAT breakdown as appropriate depending on the advice you receive.

How was the rate calculated?

BCIS is the Building Cost Information Service of RICS (Royal Institution of Chartered Surveyors) and is used where applicable, however, this is not always suitable for all types of property and other industry standard quantity surveying data may be used. Professional fees and demolition have been included to cover the anticipated costs of re-design, structural engineers, project management, site clearance, debris removal etc.

BCIS Category	568.1
BCIS Description	Sports pavilions, club houses and changing rooms
Other Quantity Surveying Data Sources	Industry Data
Total Floor Area	137 m ²
Main Rebuild Rate	£2,003 per m ²
Range	Lower Quartile
BCIS Location Index	94 (Great Yarmouth)
Additional Comments	N/A

How long will the rebuild take?

Using BCIS and other industry standard quantity surveying data, we suggest that you allow for a sufficient total rebuild period as stated below should a complete rebuild be required. Please see notes within the INSTRUCTIONS AND BASIS OF ASSESSMENT section for more detail.

TOTAL REBUILD PERIOD	12 months
Pre-Construction Period: design, planning, demolition etc	12 months
Construction Period (BCIS supplied)	months
Additional Comments	N/A

How often should there be a reassessment?

We would recommend this property is reassessed as stated below Please discuss with your broker or insurance agent with regards to indexing these rates for the next period prior to a reassessment. Costs of materials and labour in the construction industry have risen faster than general inflation in the last few years. Any structural changes, extensions, or changes of use to the property will require a new Rebuild Cost Assessment.

Recommended Reassessment Date	14/08/2026
Additional Comments	N/A

DESCRIPTION

1. INSTRUCTIONS AND BASIS OF ASSESSMENT

- 1.1 Our rebuild cost assessment (the **Assessment**) is an estimate of the rebuilding costs in the event of a total loss of the property based on the gross external area and typical rates per square meter for the building use and type/quality of construction and excluding the contents of the property.
- 1.2 The external square meterage of the property is obtained from the site survey. For desktop assessments, the external square meterage of the property is obtained from Ordnance Survey and other available data with an appropriate rate applied to each floor.
- 1.3 The Assessment is not derived from a detailed measured estimate, measured cost plan or bill of quantities.

2 THE ASSESSMENT

Costs included in the Assessment

- 2.1 In calculating the Assessment figure we have:
 - 2.1.1 included an appropriate sum to cover the cost of debris removal and architects, consulting engineers and surveyors fees. Please note a higher level of fees could apply if the property was partially damaged. The sum we have included has been calculated on the basis of a total loss and assumes that no original architectural, engineering or surveying documentation is available to be re-used;
 - 2.1.2 included an appropriate sum to cover the cost of complying with the current Building Regulations;
 - 2.1.3 made an allowance to take into consideration the listing of the property and its location in any conservation area and/or world heritage site;
 - 2.1.4 made an allowance for all foundations appropriate to the building
 - 2.1.5 made an allowance for other permanent structures adjacent to the property..

Costs excluded from the Assessment

- 2.2 In calculating the Assessment figure we have:
 - 2.2.1 excluded piled foundations and ground improvement costs from the assessment unless noted in the comments section of the report;
 - 2.2.2 made no allowance for road closures or diversion of major services;
 - 2.2.3 made no allowance for any amount required for excavation, replacement or stabilisation of land under or around the property including shoring up and support;
 - 2.2.4 made no allowance for any costs of demolition of pre-stressed or post tensioned concrete structures appropriate to the building

- 2.2.5 made no allowance for any value in salvaged materials;
- 2.2.6 made no allowance for the removal of any hazardous materials (including asbestos) or any improvements needed to unstable or contaminated land found post demolition of the property or other permanent structures;
- 2.2.7 made no allowance for any fees arising from any issues referred to at paragraph 2.2.6 above. The necessity, extent and cost of such work cannot be reasonably determined without a detailed investigation beyond the scope of the rebuild cost assessment;
- 2.2.8 made no allowance for cost inflation over the elapse time from the date of an event that results in the need for a complete rebuild and the completion of that rebuild;
- 2.2.9 made no allowance for occupiers fitting-out works, fixtures fittings or furnishings. However, in assessing the extent of the building structure, services and fittings, we have made reasonable assumptions in respect of the inclusion of items which may have been installed by tenants but which, by nature of their degree of permanence or annexation to the structure have inured to the benefit of the owner;
- 2.2.10 made no provision in respect of process, plant and machinery, fitting out works and the like, in respect of which, further advice should be taken;
- 2.2.11 made no allowance for upgrading or improvements that may be incorporated in the redesign of the property.
- 2.3 We have also excluded:
 - 2.3.1 from the external works in the Assessment allowances for all trees, shrubs and soft landscaping and grassed areas; and
 - 2.3.2 from the Assessment claim negotiations fees for loss assessors

Rebuild Period

- 2.4 The time it takes to rebuild the property will be influenced by many factors such as the nature of the event that caused the destruction, the extent of damage, the drafting of plans and securing of permissions, the availability of labour and so on. For example, any reconstruction work may be delayed due to the need to consult interested parties e.g. a mortgage company. It can also take time to source suitable building materials and draw up revised plans which will meet current Building Regulations. These will extend the period of reconstruction and therefore, depending on the property, greater inflationary factors may need to be taken into account than one may find in stated industry standards.
- 2.5 With respect to the rebuild periods, from the information we have available for a **site assessment**, we have suggested a timeframe being necessary should a complete rebuild be required. This is noted under the Rebuild Cost Assessment Breakdown. A longer period may be necessary depending on individual circumstances. With respect to a **desktop assessment** and from the information we have available without the benefit of having undertaken a site assessment, we have suggested a timeframe being necessary should

a complete rebuild be required. This is noted under the Rebuild Cost Assessment Breakdown. A longer period may be necessary depending on individual circumstances.

- 2.6 The period given assumes that planning and rebuilding proceeds expeditiously to completion following the event.
- 2.7 If you require more specific guidance on the likely rebuild period it is recommended to undertake a site rebuild cost assessment.

3 **VAT**

- 3.1 The Assessment does not extend to advising you on whether all or any elements of your rebuild cost will carry VAT and thus need to be included when determining the building sum insured for insurance purposes.
- 3.2 Consequently the Assessment will always include a VAT breakdown for all elements of the rebuild cost and it is entirely at your discretion and risk as to whether you choose to include VAT on all or any element when arranging your insurance policy.

4 **ASSUMPTIONS AND PRINCIPLES ADOPTED FOR THE ASSESSMENT**

- 4.1 The Assessment is our opinion of the rebuild cost of the property for insurance purposes using current rebuilding costs and assumes tenders are sought in competition or realistically negotiated and is not related to the open market value of the site or the building.
- 4.2 Our Assessment is based on the assumption that the property is totally destroyed or damaged to such an extent that total reconstruction is required.
- 4.3 The Assessment assumes that rebuilding of the property in its present size, form and position will be permitted by the Local Authority in relation to:
 - 4.3.1 current Building Regulations, but we recommend you clarify the position with them;
 - 4.3.2 Local Authority Planning Policy. Such policy, which determines the extent to which sites may be developed, varies from time to time and we recommend you clarify the position with the Local Authority.

5 **LISTED BUILDINGS – SPECIAL NOTES**

- 5.1 Depending upon the category of listing and the viewpoint of the relevant Local Authority conservation officer, the ability to use modern construction methods and/or materials will vary considerably. Where the property or part thereof is listed the Assessment assumes the use of modern construction techniques and modern materials except where the use of historic (pre 1900 AD) methods of construction and materials and the salvaging and reuse of existing materials are essential to the preservation of the historic character of the property and/or were a specific condition in the decision to list the property or part thereof.
- 5.2 The Assessment allows for the cost of taking down the remaining structure and salvaging of materials for re-use or replication. It also allows for the excavation and, where practicable, conservation of the debris and

recording of the remains together with the cost of any research necessary for reasonably accurate (but not meticulous) reinstatement.

DISCLAIMER

IMPORTANT NOTICE

This report (**Report**) has been prepared by Rebuild Cost Assessment Limited (company number 09746801) for the benefit of the individual consumer or business entity specified on the front page of this Report and any insurance company and/or intermediary to whom the individual consumer or business entity (as the case may be) discloses the Report to (the **Recipients**) for the provision of a rebuild cost assessment of the building the subject matter of the Report (**Purpose**).

The Recipients and anyone else receiving this Report must treat it as confidential.

This Report may not be copied or disclosed to any person in whole or in part other than to the Recipients or used for any purpose other than the Purpose. No one other than the Recipients may rely on this Report.

Save for the warranty that the Report has been prepared using reasonable skill and care, all warranties, conditions and other terms implied by statute or common law are excluded to the fullest extent permitted by law. Without prejudice to the foregoing, the maximum aggregate liability of Rebuild Cost Assessment Limited and its employees, officers, agents and sub-contractors for any liability and losses of whatever kind and howsoever arising (including negligence), as a result of access to, use of, or reliance upon, any information contained in this Report is limited to £5,000,000 (five million pounds). Neither Rebuild Cost Assessment Limited nor its employees, officers, agents or sub-contractors shall be liable to any person for indirect, consequential or special losses. In no circumstances shall Rebuild Cost Assessment Limited or its employees, officers, agents or sub-contractors be liable to any person other than the Recipients or where the Report has not been used for the Purpose.

Nothing in this disclaimer shall (a) limit or exclude the liability of Rebuild Cost Assessment Limited to the extent that such liability cannot be lawfully limited or excluded or (b) affect any individual's statutory consumer rights.

NORFOLK PARISH TRAINING & SUPPORT

Support subscription for Rollesby Parish Council for 2023-24

This proposal is in response to a request regarding subscription to Norfolk Parish Training & Support.

The Clerk is the primary source of advice and support to the Council. We appreciate that from time-to-time questions, issues or situations arise where it is helpful (or necessary) to seek additional advice or guidance from elsewhere. We also support questions from councillors, in particular the Chairperson, when they need us. This might be in the form of informal telephone support from us, or from a specialist professional such as a lawyer, HR or IT professional, or an accountant. Councillors and the clerk can also benefit from training to better understand how councils work in particular scenarios or for professional development. This is where we can add value to your council.

We are an independent training and support organisation currently supporting over 180 local councils, ranging from small parish councils to larger town councils. We have many years of clerking experience between us and because we are practising clerks ourselves, we know what clerks and councils are dealing with right now. Telephone and email support are available to our subscribers from 9 am to 5 pm every weekday. We have associates who offer 15 minutes of free legal, FOI, data protection and HR advice (for further advice after 15 minutes, subscribers will be provided with a quotation). Your council would also benefit from 20% discount on our training courses and seminars as well as free attendance at clerk, councillor and chairmanship networking.

Our events and subscription service are highly regarded, and we would be happy to put you in touch with other subscribing councils of a similar size to your Council if you would like to hear their views on us. We send regular newsletters to our subscribers and allow access to helpful documents and templates via the subscriber section of our website.

The fee for this support service for Rollesby Parish Council from 1 September 2023 to 31 March 2024 is £74.08.

If you have any questions, please contact us or look on our website for further information about what we offer: <https://www.norfolkpts.org/support>

Hedgehogs R Us

Linda Cook
12 Richmond Close
Market Weighton
YO433EX

HedgehogsRus@mail.com

Firstly, thank you for taking the time to read this letter!

I am writing to all Councils, Parishes, Towns and Wards in the UK to ask them to take part in this amazing project!

Hedgehogs R Us Highway Project

With Hedgehog numbers in decline and Hedgehog awareness on the rise, there has never been a better time to get involved in Hedgehog conservation.

A Hedgehog Highway is a 5 inch gap in a fence and is essential in the battle to prevent the extinction of our endangered spiky friends. This gap allows them access to forage for food and meet mates.

Hedgehog shaped fence surrounds raise awareness to the plight of Hedgehogs, create a talking point and encourage others to take part in the project. Fence surrounds are made from recycled plastic and can themselves be recycled.

I am asking for each area of the UK to use a small portion of their assigned funds to purchase a box of hedgehog highway surrounds and make them available for their residents.

Each box of 50 is £150 and includes:

- * 50 Hedgehog Highway surrounds & 50 information leaflets
- * A display box & window sticker showing you are part of the project.

Ideas of how to benefit your community include:

- * Donate the Highways and leaflets to your local school to educate in wildlife conservation
- * Swap the Highways for a donation of Hedgehog food which can then be given to your local Hedgehog Rescue Centre

The project will be receiving a lot of publicity in the coming months via Social Media and I really hope that you choose to take part.

My dream is to make the whole of the UK one giant Hedgehog Highway and for that dream to come true, it needs EVERYONE to take part.

Money is donated to Hedgehog Conservation for every box sold too!

If you would like to order or have any questions please do not hesitate to get in touch and thank you for caring.

Linda Cook, Founder of Hedgehogs R Us

11.1.1 HIGHWAYS RESPONSE RE SAM2:

Following a desk top exercise I can comment as follows:

Fleggburgh Road – Feasible, within the 30mph speed limit, could utilise existing 30/60mph speed terminal post or 30mph repeater signposts.

A149 on the approach to the School – Feasible, within the 30mph speed limit, could utilise existing street furniture (would need to take account of the current VAS and part-time 20mph signs with flashing warning lights).

Martham Road – Only a small section falls within the 30mph speed limit. Still feasible, could utilise existing street light column, but you would need to seek permission from GYBC who I assume own the asset.

Back Lane – Again, only small sections fall within the 30mph speed limit each end. Still feasible, could utilise existing street furniture (30mph repeater signposts).

Both parties must sign the Memorandum of Understanding (MoU) detailing the exact positions which will be valid for three years from the date of signing before Installation.

Best to discuss/email Joanna from Westcotec and request a quotation which can be used for the potential PPS bid.
